INTRODUCING
PURE VAT

A VAT Management Solution Approved by NBR

About Pure VAT

Cursor Limited is one of the leading software companies that introduced "PUREVAT", a complete modern VAT-enabled automated software that covers all of your VAT requirements in accordance with the guidelines of "The Value Added Tax and Supplementary Duty Act, 2012". It has been approved by the National Board of Revenue (NBR), the Ministry of Finance, and the Government of the People's Republic of Bangladesh.

Why Pure VAT

NBR-approved VAT software is 100% Compliant with the VAT & SD act 2012.

You can generate every NBR-prescribed Mushak report with just one click.

VAT management software ensures error-free and automated VAT and taxation processes.

Pure VAT provides you with complete freedom to customize the rules as needed.

It not only makes data migration highly convenient but also less time-consuming.

The configurable modules it includes provide complete operational flexibility.
